

Call for A. LES McDONALD AWARD NOMINATIONS

CANADIAN NETWORK FOR RESPIRATORY CARE VIRTUAL RESPIRATORY CARE & EDUCATION CONFERENCE

CHALLENGE, CHANGE & COMMUNITY
November 10-13th, 2021

Selection Criteria

The nominated individual should meet two or more of the following criteria:

- Demonstrated innovation and excellence in the development, delivery and/or provision of respiratory care and education to individuals, families or communities
- Shown a dedication to continued professional growth in the area of respiratory care and education
- Made an outstanding contribution to respiratory care and education through research and/or publication
- Contributed to the development of the certified respiratory and tobacco educator programs through CNRC volunteerism.

The **A. Les McDonald Award for Innovation & Excellence in Respiratory Care & Education** is designed to recognize a healthcare professional who has made an outstanding contribution to respiratory care and education locally and/or internationally through their practice and/or research

Selection Procedures

- A selection committee will independently review all supporting materials and make the final award decision
- The recipient of the award will be announced at CNRC's Virtual Respiratory Care and Education Conference to be held November 10th-13th, 2021.

Eligibility for Nomination

- Must hold a degree or diploma in a recognized healthcare profession; or have an education degree or certificate; or have equivalent background and/or experience

Nomination Instructions

To nominate a candidate, you must send a nomination letter which includes the following:

- 1 Your nominee's name & contact information (address, telephone & email)
- 2 Your contact information
- 3 How long you have known the nominee and in what capacity (e.g. recipient of care, colleague etc.)
- 4 An overview of the nominee's achievements in demonstrating innovation and excellence in respiratory care and education.

Submission Deadline: August 30st, 2021
